WHAT YOU GET FOR YOUR MONEY

When you buy shoes, what you get for your money is not determined solely by the outside appearance. The cheapest kind of shoes can be made to look well for a while, but they don't wear well.

That's why the REGAL SHOE has and holds such a high reputation. It looks good on the outside, wears longer and stands up better than any shoe made for \$3.50, \$4.00 and \$5.00. Every one is guaranteed. We insure you a perfect fit. Quarter sizes.

Neat shoe repairing done while you wait.
